## Job Description

---

### School Overview:

Saint John School is a Catholic Pre-K through 8th grade school nestled in the heart of Boston's historical North End, educating students for bright futures since 1895. Teachers engage students in innovative programs using a standards-based curriculum to educate the whole child. The school community is open to families of all backgrounds who understand the importance of building a child's future character as much as building knowledge. Taking full advantage of vibrant cultural offerings in nearby neighborhoods, students are prepared to become confident learners and caring citizens of the world around them.

### Job Description:

Saint John School is seeking an analytical and enthusiastic middle school Math/Science teacher for the 2021-2022 school year to promote the development of detail-oriented, problem solving, and research skills for all students with an emphasis on enrichment, individual work skills, and the importance of working together as a collaborative group, promoting a wonder of the world and lifelong learning.

### The candidate must be able to:

- demonstrate effective planning skills to implement rigorous standard aligned grade-level curricula
- successfully provide student-centered instruction both synchronously and asynchronously across multiple platforms
- capable of developing and using multiple tools to perform both formal and informal assessments
- provide accurate communication to the principal and parents about students' academic and behavioral growth progress
- be well-versed in meeting the needs of all learners with the ability to adapt instruction accordingly
- create a classroom environment that is safe, nurturing, compassionate, and structured to support the needs of all learners practicing positive, consistent discipline in classroom management
- effectively collaborate with staff and maintains confidentiality regarding school matters
- actively work to build a classroom environment that embodies the values of Catholic faith-based education
- ability to learn new skills and integrate technology a changing pedagogy dictates

Note: The above description is illustrative of tasks and responsibilities and not meant to be all-inclusive of every task or responsibility.

As a Catholic school, our teachers model the tenants of our Faith and behave accordingly toward students, families, and colleagues

with the utmost respect fulfilling the mission of the school by providing an environment rooted in Gospel values and academic excellence.
