

Secondary Level Mathematics Teacher posting for 2022-2023

Cardinal Spellman High School, a dynamic, co-educational Catholic High School (9-12) in Brockton, MA., is seeking a full-time Mathematics teacher, beginning in the Fall of 2022. The candidate must be qualified to teach a range of Mathematics courses including, Algebra 1, Geometry, Algebra 2, Pre-Calculus, Statistics, and Calculus, at the College Preparatory, Honors, and Advanced Placement levels.

Responsibilities include:

- Educational practice that positively impacts student achievement, using appropriate instructional strategies, and strong knowledge of the Mathematics curriculum and content areas
- Planning and execution of engaging, standards-based lessons and units aligned to the CSHS curriculum guidelines
- Participation in all aspects of positive culture and community building in the classroom and at school events
- Effective management and maintenance of a safe and supportive learning environment that supports academic risk-taking, resilience building, and academic achievement
- Understanding of and skill in making accommodations for diverse student needs and learning styles
- Participation in professional development for continuous learning
- Collaboration with colleagues to create an environment of mutual respect and appreciation for all members of the school community

Successful Candidates Demonstrate:

- An understanding of, commitment to, and appreciation for a Catholic, co-educational environment and the mission and core values of Cardinal Spellman High School.
- A mindset that supports the academic progress and social-emotional growth of all learners, demonstrating a commitment to student success.
- Strong interpersonal, collaboration, communication, and motivational skills
- Cultural competence in working with diverse populations
- Understanding of how bias affects families and knowledge of how to provide support to ensure success for all students
- Ability to analyze, problem-solve, and multi-task, managing multiple priorities and adjusting as needed.
- Highly organized approach with a strong standard of professionalism, accountability, and customer service.
- Welcoming, thoughtful, and energetic attitude with a sincere commitment to collaborative work.

We offer the following benefits:

Competitive pay

Medical, dental, and vision insurance

Employer-paid life insurance and disability insurance

403(b) plan – employer match
