

ST. MARY OF THE HILLS SCHOOL

— THE INNOVATIVE SCHOOL —

Background

St. Mary of the Hills School is a diverse Preschool through Grade Eight Catholic School inspired by our love of Christ. By valuing excellence in education, our program promotes spiritual growth, personal academic achievement, and social development in a safe nurturing environment. The mission of St. Mary of the Hills School is based on the core belief that each child, can through hard work, encouragement, and support both at home and school, realize and recognize his or her unique potential.

St. Mary of the Hills School is seeking a full-time 6th grade science teacher. The ideal candidate will have at least 1-3 years' teaching experience in science curriculum in an elementary or middle school setting. All potential candidates must be comfortable and have experience teaching scientific methodology. This position will focus on teaching students to think critically through experiments and hands on projects and cultivate a love of science.
