

Position Title:

Middle School Science Teacher – Long Term Substitute

Description:

Mount Alvernia Academy, a Franciscan Catholic coed school educating children from preschool through grade 6, is seeking a highly energetic and enthusiastic long term substitute Middle School Science Teacher (grades 4-6) effective immediately through June 2023.

The successful candidate will implement the established curriculum which builds students' critical-thinking, problem-solving and logical-reasoning skills. Curriculum covers 4 core units, elementary - middle school level biology, chemistry, physics and earth/space science and incorporates STEM learning into classes.

Desired qualifications include:

- Experience teaching science, preferably at the grades 4-6 level, especially in the core areas;
- Willingness to collaborate with teachers;
- Ability to integrate technology and differentiated instruction into the classroom.

A bachelor's degree is required.

Interested candidates should send a cover letter, resume and three professional references to Barbara McLaughlin, Business Manager, at employment@maa.school.
